

As you know, the SPCP Referral Program offers significantly lower credit card processing costs and generates residual income for the SPCP to help their continuing education and certification initiatives. When you, an SPCP member, refer any merchant, SPCP Member or not, we **PAY you (or DONATE for you) a \$50 Finders Fee for each merchant that converts to FFMS AND THE SPCP BENEFITS.** Based on our experience, conversions are far more likely when you contact the referral personally. **THANK YOU, Jerry Harpin, FFMS, 702-286-3638**
